

Debt Recovery Time is Money

Naturally as the recession bites,
collecting the money you are owed
is getting tougher:

“How much further can we lengthen
our payment terms?”

“How many more precious hours can
we waste chasing outstanding revenue?”

“How much longer can we allow
non-payment to threaten our business?”

No doubt you've been asking yourself similar
questions. So why not join our growing
list of clients who are all following our
simple 4 part debt recovery plan,
designed to make the cash flow your way.

Aldridge Brownlee since 1929

Specialist legal advice with quality assured service

STEP 1 – Who are Aldridge Brownlee?

You can take comfort from our 30 years of debt recovery experience. In that time, we have developed unrivalled expertise working with organisations from sole traders to blue chips. In the process we have recovered millions of pounds on their behalf.

STEP 2 – What will Aldridge Brownlee do for me?

- Work closely with your credit control and financial teams to achieve quick and efficient results
- Use late payment legislation and civil procedure rules to optimise the bottom line benefit to you
- Use fast, effective and totally professional processes to ensure excellent communication with you and your customers
- Work flexibly, tailoring our proven approach to suit your needs
- Take a personal interest in the cases we manage to ensure continued customer relationships

STEP 3 – Why work with Aldridge Brownlee? Because:

- We know that our intervention substantially increases the chances of early and complete recovery.
- We'll concentrate on the debt recovery... you concentrate on your business
- We relieve your day-to-day pressure
- We can bridge the communication gap between you and your customer
- Our costs may be added to a claim, yours can't

STEP 4 – When do we start?

You tell us when...since all it takes is a conversation with one of our experienced team to enable us to recover your debts, save precious time and get the cash to flow back your way.

Time is money so call our team now
